Use the target job descriptions to extract keywords relevant to the position. Use these to determine which soft skills and areas of expertise are best to highlight on your resume.

"Michael is a highly effective negotiator who consistently exceeds expectations. His ability to analyze complex situations, identify key leverage points, and build strong relationships with suppliers is unmatched. He is a valuable partner who has helped us achieve significant cost savings and improve our overall supply chain performance." - [Name], [Title], [Company]

Testimonials can be a great way to highlight soft skills relevant to the target job and company. You can use feedback from old performance reviews or LinkedIn recommendations for this section.

### PROFESSIONAL EXPERIENCE

2017-Present  
+ annual revenue | 5,000+ employees worldwide

#### SENIOR MANAGER, SUPPLY CHAIN OPERATIONS

2022-Present

- Led a team of supply chain professionals, managing cross-functional teams and multiple stakeholders.
- Developed and implemented new supply chain processes, resulting in improved service levels.
- Successfully managed complex negotiations with suppliers, ensuring cost-effectiveness and quality.

Best practice for a modern resume is to use YEAR only, not Month+Year. This also helps show seamless job transition when there may be a small gap between jobs.

Identify themes in the target job descriptions that you have identified - use these to hone in on the accomplishments you highlight on your resume.

#### Key Accomplishments:

- **Reduced transportation costs by 18%** through the implementation of a new logistics strategy, renegotiation of carrier contracts, and optimized routes.
- **Improved inventory turnover by 25%** through the implementation of new practices, including ABC analysis, demand forecasting, and just-in-time inventory.
- **Enhanced supplier collaboration and performance** through the development of a supplier relationship management program, resulting in improved on-time delivery, reduced lead times, and improved quality.

Lead with a result. Quantifying your results, experiences, skills and accomplishments whenever possible.
